Dear Summer Club Member,

We hope this message finds you and your family healthy and safe. We have exciting news to share with our Summer Club members. Based on Governor Bakers' plan to reopen Massachusetts, we are preparing to open The Summer Club on June 8th.

The Summer Club crew has done a wonderful job getting the club cleaned and ready for a summer full of fun. Obviously, Summer 2020 will be unique in many ways. While we are excited to open the Summer Club the safety of you and your family will always be our top priority.

Very soon we will receive information from the state and local authorities with specifics regarding what is required of us to open Summer Club. When we receive this information we will finalize our operating process and procedures and share them with you.

We will be taking every possible precaution to keep you and your children safe and healthy while simultaneously making Summer 2020 the best Summer ever.

We look forward to seeing you all this Summer at The Summer Club!

Sincerely,

Stephen Lempert

Director of Summer Club
