CARDIO

AQUAFIT: Aquatic-based exercises that focus on toning your muscles and burning calories all while minimizing the stress on your joints! Morning classes will use the entire adult lap pool, while evening classes use two lanes.. This class is 45 minutes.

CYCLE 30/45: The number represents the length of the class! With 2 class length options and some amazing instructors, you will definitely find your fit! Burn calories, sweat, and cycle your way to better health as you are guided through the ride of a lifetime!

BODY BURN 20/30: In this HIIT-inspired workout, be prepared to challenge your body! Using mostly bodyweight exercises with light weights, your body will be pushed to its limit. Adaptable for all ability levels, step out of your comfort zone and get ready to work!

ZUMBA™: Join the party! This 60-minute class is designed to bring people together to sweat it on! Enjoy Latin and world rhythms as you combine all the elements of fitness for an

amazingly good time, a super effective workout, and a crazy boost of energy!

AQUA DANCE: Let loose dancing in the water with this joint-friendly cardio workout. Great energy but low impact and a nice variety of music.

CARDIO DANCE: Get your cardio while dancing to a variety of music. A total body workout with good energy, good music, and good times.

BODYBLAST: Burn it off and tone it up! This class offers a different focus each time. Using steps, barbells, dumbbells, and floor work, your body will be blasted with strength, cardio, and core work. This class is 45 minutes.

THURSDAY TREAD: This is a 30-minute treadmill class created for all levels. You will be guided through various inclines and speeds as you increase your heartrate, and melt away those calories. Open and ideal to all walkers, joggers, and runners!

STRENGTH

BODY STRONG: This 60-minute workout challenges all of your major muscle groups by using the best weight-room exercises such as squats, presses, lifts and curls.

ABS X-PRESS: This 20-minute class will tighten your stomach, shape your obliques, and incorporate lower back work and a blast of cardio for that total body burn!

AMAZING ARMS: Because who DOESN'T want those?! Using dumbbells and barbells, your arms will be tank top ready after taking this class. Define your bi's, tri's and delts in this 30-minute class.

GOLDEN SNEAKERS: Try out both versions of this 45-minutes class: Total body will surprise you each time with cardio, strength, and flexibility training. TRX will introduce you to the TRX

suspension trainer and focus on total body strength and core work. Each format is ideal for beginners to exercise.

BUTT GUT BLAST: 30 minutes of hard-core booty-blasting work combined with abdominal moves to firm that midsection and lift your glutes!

TRX® CLASSES: TRX® suspension training leverages gravity and your bodyweight to perform exercises. Get stronger, leaner, and challenge your core! This class is 30 minutes.

B.A.S.E.: This is a 30 minute class that focuses on balance, agility, strength, and endurance. We use a simple step approach on a pulley based system.

MIND & BODY

MAT PILATES: Lean out your physique through proper body alignment and balance. You will use your bodyweight and be guided through proper breathing and muscle recruitment to safely achieve optimal strength, flexibility, and endurance without adding bulk. This class is 45 minutes.

VINYASA YOGA: Vinyasa yoga connects movement to breath through sequences of yoga poses and sun salutations designed to stretch and strengthen the entire body. Each class includes breathing exercises, standing postures and floor based stretching, ending with savasana. This class is 60 minutes.

GENTLE FLOW YOGA: Learn, execute, and practice yoga poses and techniques without having to turn into the proverbial yoga pretzel. Chairs are available in the studio. This class is 60 minutes.

YOGA SCULPT: Yoga sculpt class is a high-energy integrated combination of yoga flow with light weights. A class for all levels and abilities with some great tunes to start your day! Best part? It's topped off with various types of meditation techniques for a sweet ending! This class is 60 minutes.

BODY STRETCH: 30 minutes of total body stretching to help reduce pain and foster joint mobility. We will also incorporate body weight core exercises to strengthen your abs and low back.

SUNRISE FLOW: This fusion yoga class will guide you through traditional yoga poses, all while incorporating Pilates and tai-chi based movements. This class is 50 minutes

HATHA YOGA: Postures will be practiced to align, strengthen, and promote flexibility in your body. You can expect emphasis on simplicity, repetition, and ease of movement. Full body relaxation and balance are the goals, as we make a full circuit of the body's range of motion with standing postures, twists, back bends, forward folds, and hip openers. Breathing techniques and various types of meditation are also integrated. All levels are welcome

BARRE: Join us for this total body workout! Combining low impact cardio, with the option to utilize light weights, you will strengthen, tone, and define parts of your body you never thought possible! Barre is a ballet inspired workout that targets muscles deep in your body that can be missed by squats, lunges, and sit-ups, Increase your strength, and better your balance in this one of a kind class.
